

ATI-HOS

HG2201

Bus  M+S  

- High traction and braking performance in the wet
- M+S designation
- Specially developed tread compound and casing geometry for long life and damage resistance
- Reinforced sidewalls as protection against impact damage and kerb scuffing
- 5 mm tread depth indicator
- Safe high speed performance
- Good handling and stability
- Low heat generation
- Optimised road noise generation
- Regroovable and suitable for cold and hot retreading
